

SIBLEY'S BRIDAL REGISTRY IS a most wonderful asset for the prospective bride and her friends. It's a unique and gracious way to make sure the bride receives the gifts she really wants. Once the bride fills in the registration card with her preferences, copies are sent to our suburban stores and kept on file for three years. At the time of her initial visit, the bride will receive a delightful Happy Living Book and a helpful Record Book for her wedding gifts. At Sibley's she can choose from one of Upstate New York's most complete and varied selections of silver, china, crystal and home accessories. She may also rely on the expert advice of our stationery department in ordering invitations and announcements. Also sure to meet her fondest expectations ... one of our beautifully decorated and delicious wedding cakes. Let Sibley's help make your wedding a perfect one.
