

As a sign of our desire for personal renewal, and as a sign of our desire to work for peace, we will observe Ash Wednesday as a day of repentance for the suffering and ruin caused by war. As a further sign we will contribute for the relief and care of those who are the most helpless of all the war's victims — the children orphaned by war.

We invite you to join us in this statement. We also invite you to join with us in contributing to the orphans' fund and in working toward a world without war — a world of justice, love, and peace.
