Inner City Convent May Be Vacated

By BARBARA MOYNEHAN
 Sisters who live in the inner city and staff the recently reorganized schools there are discussing consolidation of living quarters.

Sister Consilia Norton, RSM, principal of Mount Carmel, reported the sisters' feelings on the possibility of closing a convent to executive officers of the Council of Inner City Parishes.

No decision will be made on the convents until after school faculty decisions are made and the number of sisters who will need housing is final.

The present principals of the four inner city schools will remain, the CICIP decided at last Monday's meeting. Applications are still being taken for principal of the junior high school that will be at St. Michael's.

The principals are Sister Barbara Fox, SSJ, Immaculate Conception; Sister Marie Theresa Alaimo, SSND, Holy Redeemer;
