The Public is Invited to Participate in the

GILAWAII PERCE BICE Activities Program

What is the program?

Rochester Products-Delco Divisions are pleased to participate in an awards program designed to recognize and honor Rochester Products-Delco employes who perform outstanding volunteer service for the betterment of the community.

It is called the GM Award for Excellence in Community Activities, and all Rochester Products-Delco plant employes are eligible to be nominated for an award except those directly connected with the administration of the program.

Through the years countless numbers of our employes have devoted their time and energy unselfishly toward making their community a better place in which to live and work. We know that many of these people have engaged in these activities quietly and without thoughts of recognition. We hope this new program will help to give them the recognition they deserve.

Anyone may submit one or more nominations for an award. Rochester Products-Delco employes are nominating their fellow employes. NOW IT IS THE GENERAL PUBLIC'S CHANCE TO PARTICIPATE IN THE NOMINATIONS!
