

Marine Midland is

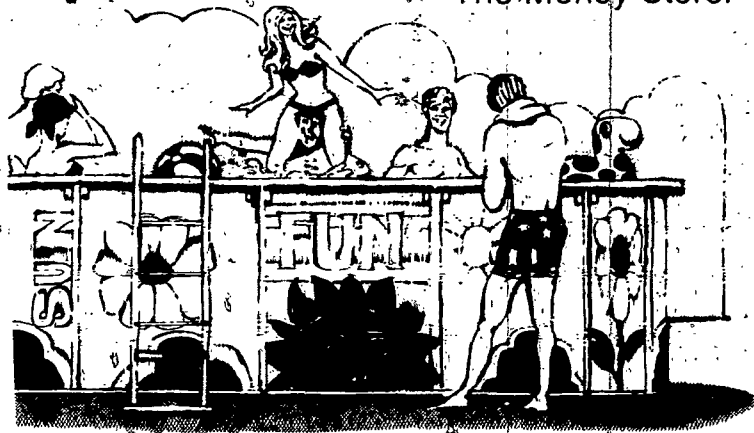

# The Money Store

### Leave home money.

Run for the horizon. Go sky high. Sail away. All it takes is some get-up-and-go and a trip to The Money Store. Give it back when you get back with a little extra for the use of it.

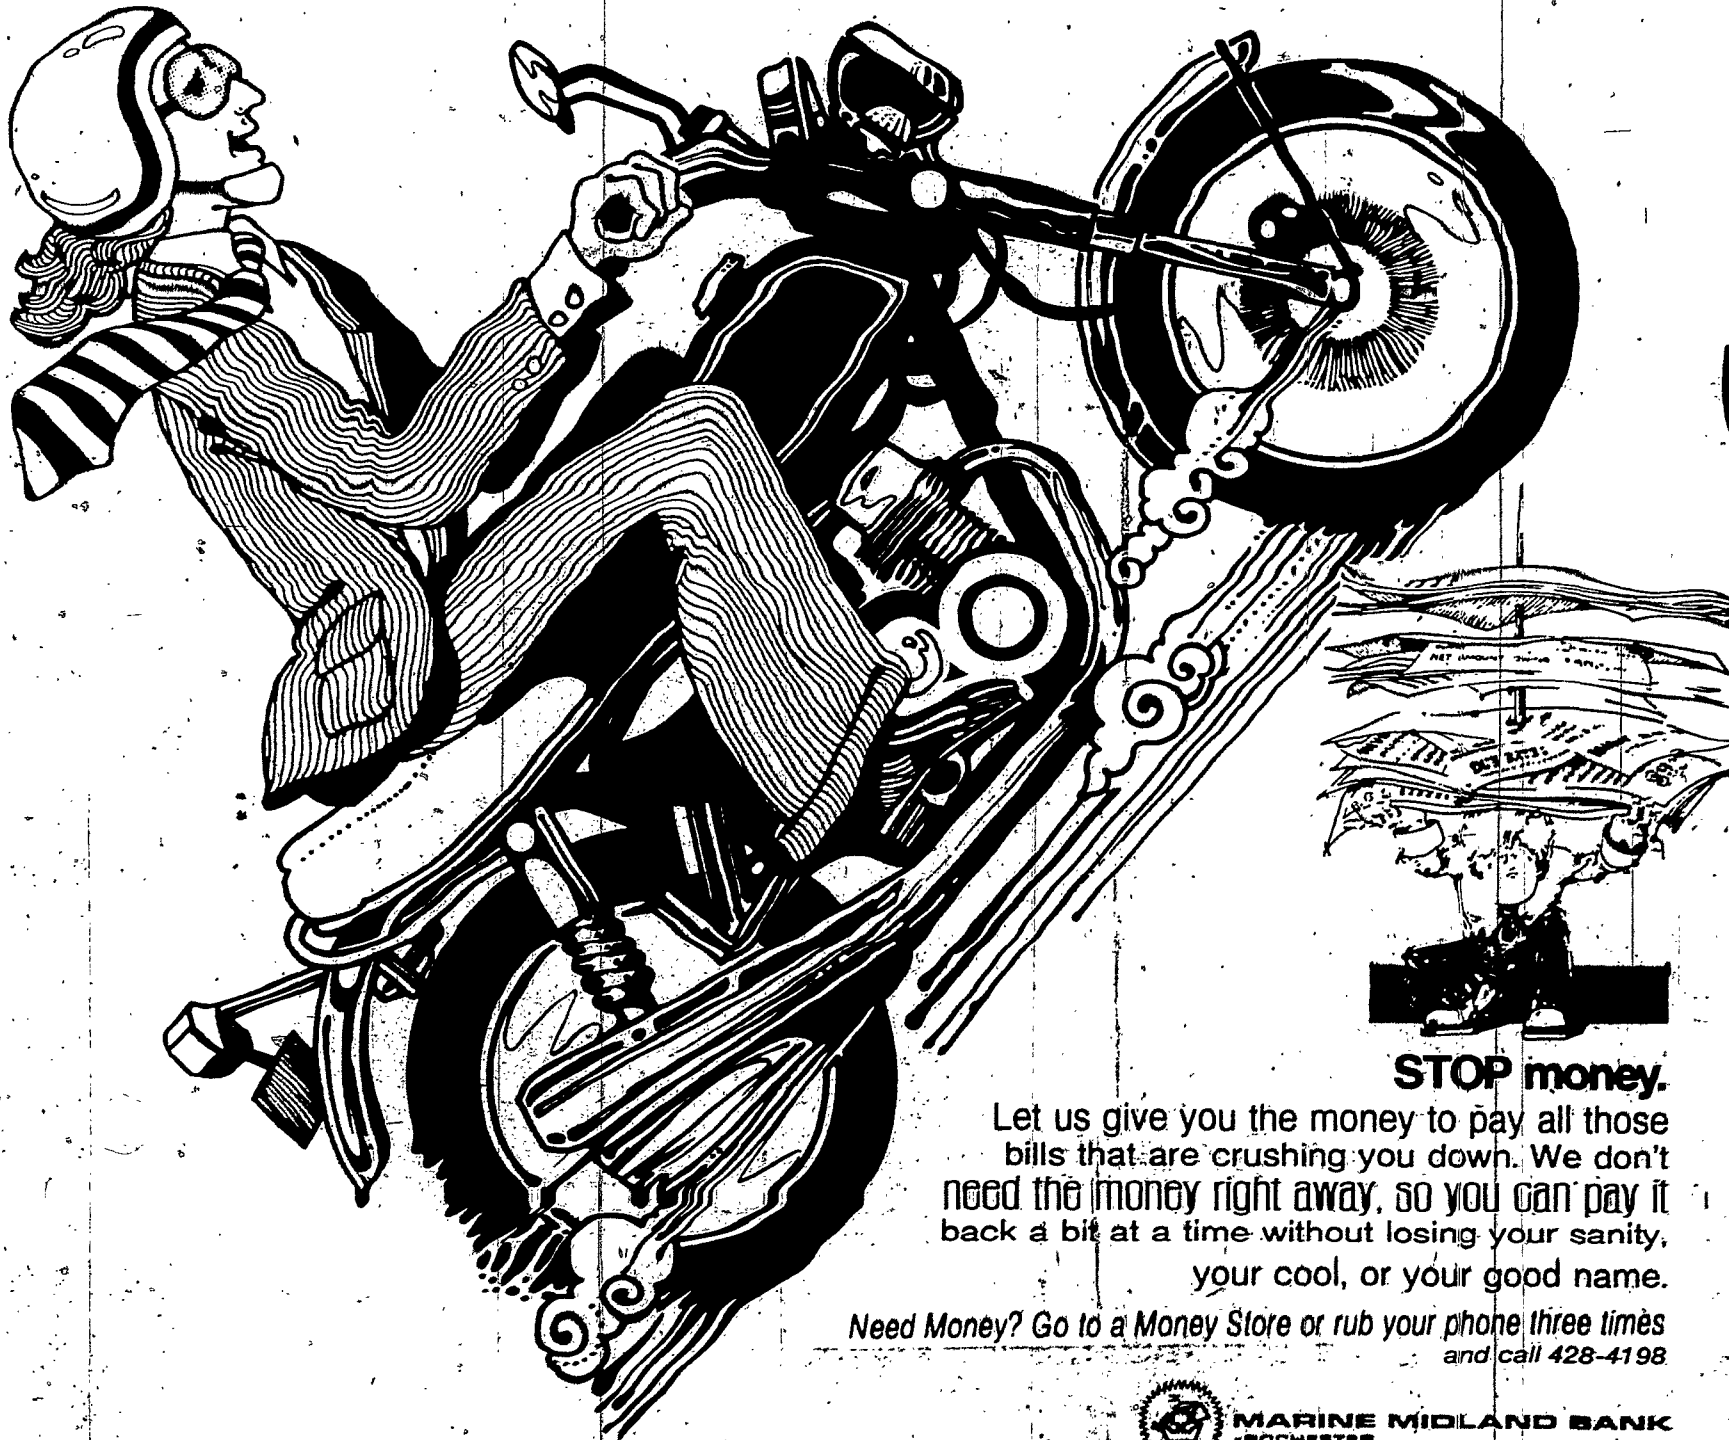

### Stay in your own backyard money.

How come only the people in tv commercials have all the fun? Build a pool. Lay on a patio. Have big fun. Make a big splash with some help from The Money Store.

### GO money.

Get a horse. Get a bunch of horses on wheels. Get a tent. Get a camper. Get a trailer. Get going. Get started at The Money Store.

### STOP money.

Let us give you the money to pay all those bills that are crushing you down. We don't need the money right away, so you can pay it back a bit at a time without losing your sanity, your cool, or your good name.
