5-piece seating group **199.95**

We've shown just one of the great values from our extensive collection of Plantation Patterns wrought iron furniture. The 5-piece group includes a sofa, 2 lounge chairs, an end table and a cocktail table. The set is finished in rust-resistant antique Pompeian Green with thick, comfortable cushions in a bright floral print reversing to yellow vinyl. Both tables feature rippled safety glass tops; large scale frames provide comfort and stability for people of all weights. *Sibley's Summer Furniture, Fifth Floor, Downtown; Irondequoit, Southtown, Greece, Victor.*
