Very Rev. Joseph F. Reinhart,

 ROCHESTER, New York 14604,
 U.S.A.

Very Rev. and dear Fr. Reinhart,

With profound gratitude, I write to acknowledge receipt of your letter dated June 25, 1973 with the enclosure of cheque No. 25039 covering the appeals made in your diocese on your invitation. We sincerely pray that the Good Lord will bless abundantly the sacrifices and generosity of the people. This help will certainly go a long way to further the cause of Christ in the diocese. We must thank you again for the opportunity given us. God bless you Father!

We have just returned from the Episcopal Ordination of Bishop Owsu of the new diocese of Sunyani. You remember I was with you in your newsletter announcing his appointment while I was with you in your office. It was very successful and colourful with our head of state present. As a former military chaplain for several years, the army featured very prominently in the celebrations. We pray God to bless the new bishop and diocese.

You will be hearing from us soon. Until then, its best wishes and God Blessing.

Yours sincerely in Christ,
 Dominic K. Andoh, J.D., J.C.D.
 BISHOP OF ACCRA.

Dear Father Reinhart:

This letter comes to do a number of things. First of all it wants to congratulate the Directors of the Society for the Propagation of the Faith in the United States for the splendid way in which last year's three-fold missionary strategy was observed in your country.

The second place this Sacred Congregation wishes to commend to these same Diocesan Directors of your country is the work of the Pontifical Society for the Propagation of the Faith and their intervention into the daily lives of one of the poorest countries in the world. The leadership of your land are the pride and joy of the Mission Churches this year by our country on the globe.

We are thankful for that participation in the leadership and zeal for the Faith and \$1,663.52 for you Great Peace
