

Prayer time is a quiet time for John Tette, right, and Beth Hill, as they wait for grace before having their snack.

Laura Versprille, above left, makes no effort to hide her yawn as she waits for the morning's next activity. Nicole Dioguardi, above right, finds that a thumb and pigtail are the best security blanket when she is away from home.

Laura Versprille, photo at left, has everything under control as she opens her milk in preparation for snack time. David Bonacci, above photo, pledges allegiance to the flag. Nicole Dioguardi, at right, has mischief in mind as she gives a disarming grin.
