

## Pre-Cana Offers Valuable Programs

The new look in Pre-Cana Conferences features a team approach. The team consists of five married couples, a priest and a doctor. After 9 to 12 sessions of learning and preparation, the team is formed and ready to present an interesting, stimulating and lively Pre-Cana program.

The Pre-Cana Conference emphasizes attitudes, principles and values necessary for a successful marriage. The methods used are 10-minute presentations, films, games which are used as springboards for discussion. Better than 60 per cent of the time at a Pre-Cana Conference is allotted for discussion.

A leader couple at a Pre-Cana Conference helps the five

engaged couples who are assigned to its table discover more about themselves and about the relationship they can expect to build with their future spouses. The team of leader couples aims to show the engaged couple that they are part of God's continuing plan and that they influence each other, the family, the Church and society.

The Pre-Cana program is open to all interested couples preparing for marriage. Couples entering an interfaith marriage are welcome at all conferences. Special information regarding interfaith marriages is given at every conference.

There is a registration fee of \$8, per couple to defray necessary expenses for the program.

A certificate of attendance is given to those who attend the Conference. The certificate should be shown to the parish priest when final arrangements are made for the wedding.

The parish priest or Office of Family Life should be consulted for dates, places and times of the conferences which are held throughout the year.

Pre-Cana teams exist in each diocesan region. Regional Family Life coordinators recruit couples, doctors and priests for Pre-Cana teams and schedule Pre-Cana sessions.

To register in a Pre-Cana program either call the Office of Family Life 546-3630 or your regional coordinator.
