

Bishop Hogan Visits De Sales High School

The first stop on Bishop Joseph L. Hogan's Feb. 20 Geneva itinerary was DeSales High School, where he once served as principal, 1953-55. He held informal discussions with many of the students there, one of which was senior Kathy Pullano.

Later in the Day, Bishop Hogan visited the two elementary schools, St. Stephen's and St. Francis DeSales. At St. Stephen's, he talked with Mrs. Bernice Anania's reading class.

The students at St. Stephen's held a poster contest during Catholic Education Week. Bishop Hogan was on hand to award prizes, including one to kindergartner Emma Guest.

At DeSales, he concelebrated Mass with Father David Simon, chaplain. Nine people at the Mass were enrolled as extraordinary ministers of the Eucharist. They were Mrs. Virginia D'Agostino, Sister Anne Emperor, Sister Carolyn Cardinal, Suzanne Belcher, Donna Fenner, Margi Lash, Christopher Lavin, Judith Michalski, Frank Muscato, and Robert Wright.

Garden Crypt Prices Have Not Increased

If you have been thinking about above ground entombment in the Garden Mausoleum, now is the time to make your decision.

Right now the prices of clean — dry — ventilated Garden Crypts are still at lower pre-construction prices for a limited time only.

Since the number of crypts available is limited, the choice of location will be more restricted as time goes on.

Right now there are crypts available in almost all price ranges.

It takes only a small deposit and low monthly payments, anyone can afford to give you peace of mind for evermore.

There is no interest or finance charge so why put off the decision which will cost so much more later on?

1. Act now — save money.
2. Your choice of location.
3. Clean — Dry — Vented entombment forever.
4. Permanent Maintenance assured.

5. Pay out of income — keep savings intact.

6. No interest or finance charges on Pre-Need reservations.

Grantier Neville President
Dear Mr. Neville:

CJ 2/27/74

Please let me have color brochure on all types of burial and entombment. Also I would like to know how Crypt entombment can save money over regular land burial.
