

We're painting the town green

Every day your money is on deposit, it earns interest from Rochester Savings Bank. At the end of each quarter that interest is credited to your account. With more than \$600 million on deposit, that's a lot of green. And with RSB paying the highest allowable interest rates, it's easy to see why we say We're Painting The Town Green.

Watch your green grow. Open a savings account at Rochester Savings Bank. There's an office near you.

NEW TERM SAVINGS ACCOUNT

7.90% new high effective annual yield on **7.50%** a year. Guaranteed 4 to 7 years when held to maturity. Interest compounded daily, payable quarterly. Minimum \$1000.

F.D.I.C. regulations permit premature withdrawals on term savings accounts provided the rate of interest on the amount withdrawn is reduced to the passbook rate and 3 months' interest is forfeited.

DAY TO DAY AND GRACE DAYS SAVINGS ACCOUNTS

5.47% new high effective annual yield on **5.25%** a year.

Dividends for every day your money is on deposit, provided \$5 remains in your account to end of the quarter. Also on GRACE DAYS ACCOUNTS where money deposited by the 10th of any month earns dividends from the 1st. Dividends compounded daily, credited quarterly on both accounts.

On all accounts interest/dividends must remain on deposit for a full year to earn the annual yield shown.
