## Bishop Hogan Praised For Social Leadership

A Brooklyn congressman has praised Bishop Joseph L. Hogan for leadership in the field of social action.

After a speech in Jamaica, N.Y., Rep. Hugh Carey, in an interview with the Brooklyn Tablet, quoted from Bishop Hogan's column in the Courier-Journal (5/1/74):

"As pastor of the diocese, I now rejoice in the opportunity to challenge those in our area who for political or monetary motives are shuttling our elderly into locations which deprive them of services they need and deserve to uphold their personal dignity."

Rep. Carey said that's the kind of challenge to which both voters and office-holders can respond

The congressman had spoken at a symposium on "The Catholic Church and the American Poor"
