

At the North Region CYO Weekend.

### CYO Has 'Reach Out'

The North Region's first CYO Leadership "Reach Out" Weekend was held at St. Bernard's Seminary, Nov. 15-16. Twenty young people attended from six parishes: St. Thomas Apostle, St. Salome's, St. Margaret Mary's, Holy Redeemer, Christ the King and Our Lady of Perpetual Help.

The experience was coordinated by Robert Roney, CYO regional youth director, and staffed by Sister Beth McClynn, Father Francis Blighton, Father Gary Shaw, Father Dan Holland, Tim Horan and the CYO Youth

Development Staff. The two days involved exercises in Christian leadership and in recognizing different kinds of leadership.

The young people created and performed skits on leadership styles, planned the closing liturgy and demonstrated once again the amazing enthusiasm that is generated when committed and sensitive young people get together. Out of this weekend, the core of the North Regional Youth Committee will be formed to coordinate regional youth gatherings and promote more activities in the separate parishes.

## "Code-A-Phone"

AUTOMATIC TELEPHONE ANSWERING AND MESSAGE RECORDING SYSTEM

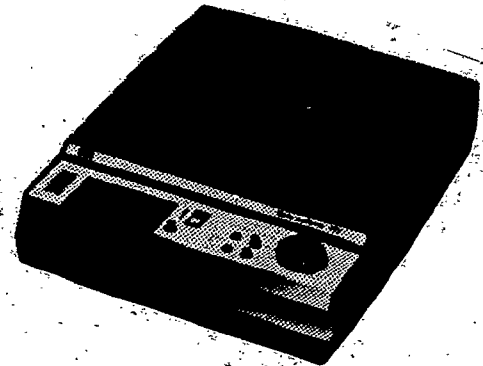

The 370 is an automatic telephone answering and recording system. It works 24 hours a day to answer your telephone automatically and record your callers' messages. The 370 answers on the first ring, delivers a pre-recorded message in your own voice, and records an uninterrupted message for 60 minutes using a standard C-120 cassette. You can monitor incoming calls and cut in, if you wish.
