Our Missionaries
in Spirit of Love
to the World's Less Fortunate*

PENTECOST:
 a time to celebrate our being a pilgrim, missionary Church.
 people extending ourselves to areas of the Third World
 that most of us will never even see.
 a community of Christians sharing our own personnel with
 those who need their presence even more than we need them here
 a family sharing our bread, prayers and love with neighbors
 on the borders of such countries as Bolivia, Brazil, Chile, areas
 in our own country such as Selma, Alabama and the city and
 areas within the boundaries of the Diocese of Rochester.
