A Rochester native, Holowka is a graduate of Bishop Kearney High School. He earned a B.B.A. degree in Business Administration from St. John Fisher College. He has pursued graduate study at Brockport and Geneseo State Colleges, and will receive his permanent state certification in July.

Holowka's first teaching experience was at the Mt. Morris Central School where he taught five different subjects, including eighth year English. He has been in the Mooney Business Department for four years. He has given classes in Business Arithmetic, Bookkeeping, Business Law and Public Speaking, and has been moderator of several extracurricular activities at Mooney, including the Hockey Club.

Holowka's wife, Kathy Dimmick Holowka, is also a faculty member at Cardinal Mooney where she teaches social studies.

It is the aim of Rap Around to touch all of the bases. If we are missing any, please let Mrs. Joan M. Smith know your ideas. Drop her a line.

We need suggestions and invite criticism. From all indications, Rap Around has gotten off to a successful start. We are pleased but need your help to keep it improving.

## Winners Circle

Rap Around weekly will run a photo of a group of students taken somewhere in the diocese. One person will be circled and if that person brings the clipping to the Courier-Journal before noon of the Tuesday following publication date, he or she will receive \$5. This week's photo was taken during senior lunch at Bishop Kearney. The person circled above should bring the clipping to Joan M. Smith, Courier-Journal, by noon, Tuesday June 17 to receive \$5.

## Few Athletes Win Full College Rides

By JOHN DOSER

Many athletes are recruited by college and university coaches, but only a few exceptional athletes manage to win full athletic scholarships (provided mostly by the college, plus other sources) covering their next four academic years.

Aquinas' Glenn Williams, Bishop Kearney's Paul Young and Nick Urzetta, and Cardinal Mooney's Virgil Cotton and Ken Boddie represent only a handful among the many athletes in the Courier-Journal area heading off to college in the fall to continue their athletic careers with virtually all expenses paid.

The Courier-Journal polled the athletic directors of Rochester's four Catholic high schools and came up with the following list of athletes and where they are headed this fall. Our apologies to athletes we inadvertently omitted.

Some of the following will receive partial athletic scholarships which range from \$200 to several thousand dollars per school year.

We've omitted the athletes' high school All-League achievements etc., because they have been more than adequately documented in most cases in the daily and weekly sports pages.

What's news here is where these athletes hope to spend the next four years.
