

## BOLIVIA shares with us continuing Goals of our missionary works:

"We live in a privileged moment for mission in the history of the Church in Bolivia. Our greatest energies and finest efforts and our constant concerns ought to be directed toward a living out of the paschal Mystery and its expansion in our reality. The Church-Communion, born of conversion to the Word, will forever continue in deepening and extending the work of the apostles and prophets who one day, moved by the Spirit who acts in history, were sent "Ad gentes" to announce to all men in all nations the good news of the Resurrection.

There walks with us also the Virgin whose image and mission we cannot silence "for in her was the Word made flesh; for she is the model of Christian life and the Mother of the Church."
