

Sports Kearney

There was plenty of sports action at Bishop Kearney on Monday, May 10. BK faced Marshall in tennis, with BK winning handily 5-0. Paul Efferit shows his backhand while Bill Nealon and Roy Bow relax, having been victorious this day. In baseball, BK faced East High. Pitcher Peter Reister lost his cap on this fastball, and coach Carm Urzetta watches as one of his Kings slides home. The game required extra innings, with Kearney pulling it out, 6-5.

Dual Celebration on May Day

Elmira — This year at Notre Dame the May Day celebration will combine the themes of both Ascension Thursday and the crowning of Mary, Queen of Heaven, May 27.

Wendy Tuller will reign as Queen of the May; her first attendant will be Jill Matthews. Other attendants include Emilie Broschart, Mary Danaher, Graceanni DiRusso, Marie Bergh, Debbie Palmieri, and Sue Sullivan.

company the May Court are Dick Craft, Mike Hulbert, Jim Dunlavy, Steve Karski, John Ryan, John Liddy, Art Sullivan, and Kevin Seaman. These students elected by their classmates represent the class' idea of Christian attitude, values and effort. This is the first time that the male escorts were elected by their classmates. Formerly they were chosen individually by the girls.

The Mass, planned by Sister Dorothy and the May Day Court, will begin with a procession in

which this year's graduates will hold a place of honor. Flowers will be given by the student body.

This year's theme, "We are your bread Lord; break us up and pass us around" is a reminder that Jesus asks each of us to be bread, nourishment, and sources of life for each other. Sister Dorothy hopes that "The combination of Ascension Thursday and May Day themes, will help us better bless, break and offer our lives to God and to one another." **Patti Gough.**
