ever notice this about our SMILE?

It's something like the smile the old-time, store-keeper-stew-keeper used to flash when he said "thank you." No doubt about it - you know you'd been thanked. Why? Because as he smiled he gave the kids a sack of candy, grinned happily as he put an extra free doughnut in the bag. He felt good - and you were a customer... and he smiled, and so did you.

That's the kind of smile you get when we say "thank you."

Because we, too, give you something extra with everything you buy: Top Value Stamps. We feel good about giving this bonus to our customers. We just can't help but smile - that special smile.

Why not come in and see it with your own eyes.
