Olympic Style

Barb Shields, a senior at St. Agnes High School, displays her gymnastic style which has earned her recognition as a top competitor. She was 1974-75-76 High School All American. Both in 1975 and 1976 she was New York State All Around champion, winning first place in floor exercises and uneven parallel bars. She placed third in the 1975 Junior Olympics. Her gymnastic ability has made her the recipient of athletic scholarship offers from the University of Pittsburgh, University of Arizona, Springfield College in Massachusetts, University of Idaho and Western Kentucky University. She will attend Western Kentucky and will major in physical education and also continue with her competitions in gymnastics.

Student Ranks High in Credits

St. Agnes student Sheila Kanaley, with 20 credits, earned the highest number of college credits through participation in the school's college program.

The courses are made possible by special arrangement with Nazareth College. Credit is registered at Nazareth and is transferrable to other colleges.

Mrs. Cathy Battaglia, curriculum coordinator, regards the program as a special opportunity because "it allows students to take electives in college that they might not otherwise have room for in their schedules."

Forty students participated in college courses during the school year.

The courses offered are Advanced Placement English, History, Biology, and two courses in Math.

Get a scholarship worth
 \$16,000 to \$20,000.
 But you've got to get going.

If you've got what it takes, you may qualify for a four-year scholarship at one of 58 of the country's leading colleges and universities through the Naval Reserve Officers Training Corps (NROTC). This includes all tuition, fees, books, plus \$100 per month living allowance — a value, depending on school, of approximately \$16,000 to \$20,000.

But you've got to get going. Because, to qualify, you have to take one of two tests: the SAT (Scholastic Aptitude Test) or the ACT (American College Test). These tests are given on the following dates this year for the college year commencing September 1977

SAT	ACT
Nov. 6	Oct. 9

So hurry. Register for your test. Fill out the NROTC application. Do it now. Don't miss out on the opportunity for a rewarding career. A future you'll be proud of.

For more information on how you can be someone special, talk to your high school guidance counselor, call (toll-free) 800-841-8000, or visit your local Navy Recruiter for your copy of the 1977 NROTC Bulletin.
