

SINGLE NEEDLE TAILORING

SIBLEY'S EXCLUSIVE LABEL

FULL CENTERPLEAT FRONT

7 BUTTONS

OF 65/35 POLYESTER AND COTTON

join the host of happy men who've discovered Sibley's own super shirt

priced at just \$12

It may not be the best kept secret in town — everybody's talking about it — but it's the best shirt news for value-hungry men in ages. It has all the marks of a premium shirt except price. The rich fabric — handsome woven plaids or classic chambray — is a perfect proportion of polyester and cotton, 65/35% to be exact, which gives it a luxurious fine-cotton touch but makes it marvelously machine washable and dryable as well. The full centerpleat front is styled with 7 buttons; the sleeving and joining is done with finicky single-needle tailoring. Likewise the sleeve placket. Plaids are blue, tan or green; chambray comes in blue, ecru, tan or green. A whale of a shirt for the price, and Sibley's is proud to put its own exclusive label on it. And when Sibley's does that, that says it all!

ROOSTER KNIT TIE of mohair and wool. Navy, deep blue, stone blue, hunter, mid green, maroon, red, brown, chestnut camel, cream, brick, rust, melon, yellow or black. 5.50.
