What are your goals for 1977?

BISHOP KEARNEY

Robin Rainey, junior, Future Teachers' Club
 "To make the high honor roll. I would also like to see better opportunities open up in the job field for women. My New Year's resolution would be to understand people better and not get hot under the collar as often."

Linda Wisniewski, junior, Spanish Club
 "I'm looking forward to a good presidency with Jimmy Carter. I like Spanish — it's my favorite subject so I would like to learn it well so I can communicate through the language. I think we are going to get too involved with other countries' problems in the coming year."

Pam Griffin, junior
 "To do good in school and to maintain my job. I think the environmental problem is going to be one of the biggest problems to face mankind in 1977."

Anne Baraniak, sophomore
 "To do good on the January exams. I foresee inflation getting worse in 1977, and a lot more people will be losing their jobs. For myself, I look forward to a better year in 1977. Every year should be better than the last."

Joe Opaczewski, senior
 "I'd like to finish high school and begin college. I'm looking forward to 1977. I hope every thing works out for me. Inflation will rise and there could possibly be a war. These are some of the problems we may have to face in 1977."

Debbie Burwit, sophomore, Band
 "I'd like to pass exams but I have a horse and last year I set 2 goals and reached one when I went to the New York State Fair with 'Redster.' This year my goal is to become more involved with the Mendon Pony Club. Right now, I can't do things about the whole world but here in Rochester I feel there are critical problems such as the recent County tax budget cut."

Nick Marchioli, senior
 "I want to graduate and obtain a good job. The inflation problem is going to get worse and I don't feel the political scene will be good with Carter as President."

Frank DiCecca, senior
 "To finish high school and enter the General Motors Institute and then go onto a good job. I hope 1977 will be a good year. Inflation along with food and gas price increases will continue. Perhaps war will break out, but I doubt it. There's not much that can be done about the inflation problem."

"It's almost time for the magazine drive," says the White Rabbit (Sue Warner), to Agnes in Madland (Karen Geedy). St. Agnes High School's annual drive will begin on Friday, Jan. 7.

Honors Ceremony

Fifty new provisional members were inducted into Nazareth Academy's Bishop McQuaid Chapter of the National Honor Society in a special candlelight ceremony on Dec. 12.

Guest speaker for the occasion was Sister Eileen Conheady, a Nazareth Academy alumna who presently works in the Diocesan Office of Black Ministry.

Sister Eileen congratulated the girls on their past achievements and challenged them to be grateful for their special gifts, to share them generously in the service of others, and to remain creatively faithful to the ideals they have set for themselves. Members of the Society are chosen on the basis of character, leadership, service and scholarship.

I'm a Winner!

Circled for posterity in the Dec. 22 Winner's Circle was Ray Shahin who though not a student, is a landmark over at Bishop Kearney High School as Music Director of the Marching Kings' Band. Above, Courier Journal secretary, Lynn Root, presents him with his winnings. He attained Winner Circle fame while conducting a Christmas Concert.

McQuaid has a string band that won't quit. Above, Bob Schwartz along with members Paul Swiatek, Kelly Dungan, and Tony Tross gather for an impromptu practice session before entertaining the student body at Christmas.

Juniors, Sophs Assist the Needy

The Bishop Kearney newspaper "Cornet" reported that the sophomore class recently sponsored a clothing drive in which the entire school participated. The sophs encouraged all families to bring in reusable clothing that would be put to good use through the help of Father George Wiant. A former BK chaplain who works with the Campaign for Human Development. He took the 36 boxes of clothes collected to migrant workers in Wayne County.

with the Christmas spirit donated their time and efforts in collecting toiletries, combs, soap, and brushes which were given to the State Hospital. Dan Callan, Sue Grishaber, Janice Fredette and Julie Centanni headed this project.

Winner!

Linda Fabrizia, a sophomore at Bishop Kearney High School, was the recipient of the Winner's Circle \$5 the week of Dec. 15.

Jeanette Lucey, chairperson, collected \$31 for other accessories the workers might need.
