**The 365 days of Lent**

For us, Lent is only 40 days, a year; for many in Mission lands, Lent is all year round.

We can **choose** to make Lenten sacrifices... for them, sacrifices are a way of life. Often scattered over remote areas, they are deprived of the consolations of the Sacraments and the Liturgy.

But with your help, missionaries working in far-flung corners of the globe will reach them—bringing hope and Christ-like concern to ease their hungers of soul and body.

Please **choose** some form of sacrifice for yourself this Lent... to help those who have no choice. Help bring the joys of Easter to those who know only the sacrifices of Lent!
