JIM VOLPE HAS BEEN SELLING QUALITY USED CARS FOR OVER 40 YEARS!

Volpe LINCOLN MERCURY

546-5850

For a limited time we're selling 1976 Peugeots at close to original dealer cost.

The Peugeot 504 is the luxury car with a whole different set of standards.

It comes complete with such standard features as rack-and-pinion steering for precise handling. Michelin steel-belted radial tires for extra control. Power disc brakes to give maximum stopping with minimum fade. And independent suspension to smooth the ruts and bumps out of the roughest roads.

Inside you'll find fully-reclining front bucket seats. Child-proof rear door locks. And much more.

On the Peugeot 504, it's all part of being a well-engineered car. And to make room for the incoming 1977 models, Peugeot is offering cars to us with a special factory rebate. And we're passing the savings on to you by selling new Peugeots as practically the original dealer cost. Not just one model. But every 1976 Peugeot on our lot.

So hurry. This offer expires May 31, 1977. And at these prices, who can say how long our limited supplies will last?
