

Photographed in February 1977.

Getting your mail hasn't always been easy this winter. And that raised concern over the safe, timely delivery of your Social Security Check.

Security Trust wants to tell you about a worry-free way of having your monthly check deposited into your account on time, regardless of the weather. Our idea works especially well when you decide to vacation in warmer places away from home.

We'd also like to tell you how to get a checking account that's totally free.

These special benefits, and more, are available through Sixty Set at Security Trust. If you're 60 years of age or older, complete the coupon and we'll tell you how the program works.
