PUT AN END TO THE LOST WEEKEND.

If you're tired of spending the better part of your weekends keeping your lawn in shape, you need a WEED EATER® Snippy™. It's ideal for medium-size lawns. Snippy™ cuts a big 10-inch path by using specially-treated fishing line. It weighs only 3½ pounds—so it's ideal for the ladies. Trim and manure to perfection around trees and bushes, along sidewalks and driveways easily and safely—with no stooping. UL listed.

See the entire family of WEED EATER® electric and gasoline trimmers and trimmer/edgers.

We made 'em first. We make 'em last.™

The WEED EATER Family can cut it.
