

TRAINING IN RELIGIOUS EDUCATION FALL '77

Training courses for Catechists will be offered at a variety of locations throughout the Diocese of Rochester very soon. Most of these programs will begin in September. If you will be teaching in a school or a parish religious education program this fall, why not spend a few hours improving your teaching skills and clarifying your own ideas about scripture, church, sacraments and morality, you will surely find this time well spent. Registration for any of the programs described below should be made through the "Contact" whose name appears with each individual listing. Questions concerning any program may be directed to the local "Contact" or to the Diocesan Consultant for Teacher Training, Office of Religious Education (716) 328-3210.
