## Hanging on to "Mommy"

for reassurance. Sister is the only "Mommy" this little orphan in Timbuktu has known. She provides comfort — food — shelter — but above all, the love that the children at this orphanage so desperately crave.

Sister is there because the Church is there. And the Church is there because YOU make it possible through your generosity to the Society for the Propagation of the Faith.

Please continue to support them. The Church — the people — are poor and will take years to stand on their own feet. And Sister "Mommy" is very much needed!
