

Clean-Up

Jeff Swiatek, photo at left, sweeps the sidewalk while other 7th and 8th grade students from Our Mother of Sorrows School trim around headstones and rake up debris in the parish cemetery, a historic landmark with many headstones predating the Civil War. On the afternoon of May 26, 50 youngsters worked in preparation for Memorial Day. The clean-up offered the students the opportunity to learn as well as giving service to the parish and community, said the principal, Sister Virginia Steinwachs.

Pope Paul VI discusses some of the memorabilia presented to him by Sister M. Aileen Griffin, Superior General of the Sisters of St. Francis of Syracuse.

Area Sister Visits Pope

Sister M. Aileen Griffin, Superior General of the Franciscan Sisters of Syracuse, met recently in a private audience with Pope Paul VI. Sister Aileen presented the pontiff an original letter and other memorabilia of Mother Marianne Cope, second provincial mother of the Syracuse order, who spent 35 years working with victims of Hansen's disease (Leprosy) on the Hawaiian Islands from 1883-1918.

A campaign for the beatification of Mother Marianne, an important step to sainthood, has begun.

The Sisters of St. Francis

of Syracuse are active in the Rochester Diocese in Auburn where they serve at Mercy Health and Rehabilitation Center.

Sister Aileen said that the Pope "was extremely friendly and gracious, and he was very interested in Mother Marianne's work on Molokai."

The Vatican is planning an exhibit in the summer months to honor various persons who have made outstanding contributions to the betterment of civilization, and the Franciscan Community had been invited to provide materials by which Mother Marianne might be represented.
