Farewell!

The spirit of Pope Paul VI as a loving father was celebrated at Sacred Heart Cathedral last Wednesday in a Memorial Mass concelebrated by Bishop Joseph L. Hogan, and Auxiliary Bishops Dennis W. Hickey and John F. McCafferty. Hundreds of laymen, clergy and civic and religious leaders attended the rites. During his homily, Bishop Hogan recalled for

the congregation a recent meeting he had with the pontiff. The feeling of that meeting, he said, was one of filial and paternal love. In this composite photograph, the congregation and celebrants at the Wednesday rites appear to be receiving the fatherly benediction of the late pontiff.
