

# Journey: Step by Step

**Step 2:**  
**Personal Needs**

Often individuals have special ministry needs but never express them to their pastors. This section allows parishioners interviewed to express those needs and steps will be taken to meet the requests. Shown here are a number of parish programs available. You simply fill in the corresponding number where applicable. Space is also provided if the service you require is not listed.

As Members of  
**HOLY ROSARY PARISH**

We commit ourselves to help identify needs of our fellow parishioners and to share our time and talent in assisting to continue and help develop the programs and services being offered by our parish.

I know that everything I have comes to me from God - my life, my talents, my material possessions. I want to use these things as a good steward. I want to give myself to our parish community. I want to help carry out the mission of the Church.

*John J. Brown*

He stopped - gave his time

Bandaged the wound - gave his talent

**Step 3:**  
**Sharing Time and Talent**

In the same way that your parish has commitments to you, you also have responsibilities to your parish. Your time and individual talents are needed in order for the Church to fulfill its ministry in serving its members. Each family member is asked which particular activity they are interested in working on. Mr. Brown has donated his time to serve as an usher (301), to become active in the Holy Name Society (703), and to work on the Parish Festival (711). Mrs. Brown has indicated that she will work on the Stewardship Committee (210), serve as a library aide (506), and become active in the Rosary Guild (714). Their son Tom wants to donate time to the parish youth programs (601).
