

# For Governor CAREY

THE MORE YOU KNOW THE FACTS,  
THE MORE YOU KNOW HUGH CAREY'S  
RIGHT ... FOR GOVERNOR

## **FACT:**

**Governor Carey has given New Yorkers the largest tax cut in state history:**

- Governor Carey cut personal taxes by more than \$1 billion, the largest in New York State history and the first permanent cut in 57 years.
- The Governor provided \$483 million in business tax relief and initiated numerous incentive programs to encourage business to stay, grow and relocate in New York State.

## **FACT:**

**Governor Carey has given us four years of economic growth:**

Because of Hugh Carey, the economic future of our State is brighter—for a change.

- The Governor's efforts to reduce unemployment and improve the business climate have resulted in an increase of some 157,000 jobs for New Yorkers since May 1976.
- The Governor brought about industrial expansion which has resulted in 36,000 NEW jobs and funnelled more than \$800 million into the State's economy.
- Carey has accelerated the use of State and Federal funds for public construction programs—\$1 billion for highway construction, \$2.7 billion for sewer construction, and \$800 million for rail line construction.
- The Governor's award-winning "I Love New York" tourism promotion campaign brought 41 million more tourist dollars into the State during the summer of 1977 than the previous summer.
