Everybody wants one - they're light as air, warm as toast and are the mark of a real pro on the slopes. But you don't have to be a hot dogger to appreciate a down jacket. They're great for snowshovelers, hunters, dog-walkers and other outdoor types! Men and women, both! The puff-weight filling is 80% down, 20% tiny feathers. The quilted nylon jacket in men's sizes S-M-L-XL comes in tan, navy, electric blue or red; in women's sizes S-M-L, it comes in navy, electric blue or red. The unisex quilted poplin jacket comes in navy, royal, red or chocolate, sizes XS-S-M-L-XL. **THE DOWN VEST** is a smart alternative with men and women both. Navy, red, tan or electric blue quilted nylon, in sizes S-M-L-XL, 36.99.
