Student Names Seal

The American Lung Association held a "Name Our Christmas Seal" competition and Karie Zaso from Guardian Angels School was the winner from over 900 entries. In top photo, Karie displays Christmas Seals to her classmates. In backrow are Sister Barbara Kuhn, principal; Mr. and Mrs. Gary Zaso; Karie's grandparents, Mr. and Mrs. John Connolly; and Mrs. Mueller who is the fourth grade teacher. Below, John Gubiotti, public relations coordinator for the Association hands out this year's Christmas Seals while "Sealvester" shows off for the occasion. Karie, whose prize was a trip to Toronto for three, is a member of the fourth grade.

Kids are always asking that, no matter where they are. And over 138,000 missionaries around the world are helping them grow through your help and concern. The Society for the Propagation of the Faith is the channel for your generosity that provides not only for physical, but also for spiritual means of growth. Please help them grow — in every way. Support the work of missionaries through a gift to the Society for the Propagation of the Faith.
