Read this and cry.

Adriana lives in a one-room shack in a South American barrio. Her mother works hard as a street cleaner, and is too tired, too weak to give her daughter the attention she desperately needs.

Since 1938 the Christian Children's Fund has helped hundreds of thousands of children like Adriana. But so many more still need someone to help. Someone to care.

That someone could be you. If you become a sponsor in the Christian Children's Fund. All it costs is \$15 a month, but you help give a child so very much. Regular meals, medical attention, the chance to go to school, or whatever that child needs most to live a healthy, productive life.

You needn't send any money now. First "meet" the child who needs you. Just fill out and mail the coupon. We'll send you a child's photograph and tell you about

her way of life—her age, health interests and family background. We'll also tell you about the project where the child can be helped, and give you detailed instructions on how you can exchange letters with your sponsored child and share a very special part of her life.

After you find out about the child and the Christian Children's Fund, then you can decide if you want to become a sponsor. Simply send in your first monthly check or money order for \$15 within 10 days. Or return the photo and background materials so we can ask someone else to help.

Take this opportunity to "meet" a child who desperately needs your help. Somewhere in the world there's a suffering child who will share some-

thing very special with you. Love.

For the love of a hungry child.
