

Spread the Good News

Put God's Word into Orbit . . .

Next Sunday you will be asked to contribute to the Catholic Communication Campaign, a new effort to spread the Good News through television, radio and other media. Half of the money collected will stay in our diocese to support our activities, the other half will help launch a national effort. Please take a brochure and a collection envelope from the back of the Church on your way home. Help to multiply His word through media.

We all know of the impact media have on our lives. We know what potential they have for building a better world, if would only use them.

Today the bishops urge you to contribute to the Catholic Communication Campaign, a new effort to spread the Good News through television, radio and other media.

Half the money will stay in the diocese to support our own efforts, half will go to launch a national campaign. Please give generously so that our Church communications can be worthy of the Lord we serve and whose joy we share.

GIVE MAY 27th
