**Down Memory Lane**

It was an old-fashioned get-together for the BK community on May 20. A Mass and Communion breakfast was held for those who participated in The Marching Kings Irish tour. It was a time for reliving experiences. In upper left hand photo, BK students chat about some of the happenings in Ireland; a young (future marcher?) studies the trophies the band brought home, while down below Ray Shahin, band director and his assistant, Al Tevels, discuss the strategy which won the prizes; the highlight of the morning, however, was the exchanging of the thousands of pictures taken by the travelers which brought back all the memories.

**AQ Student Honors Parents**

This year's valedictorian at Aquinas Institute was David Zimmer. David's academic record placed him first in the class standings and he will attend the University of Dayton where he was awarded a scholarship.

His address at the June 3 graduation exercises was dedicated to the parents of the '79 graduates. "Parents are lifetime teachers," he said and added, "They are administration, faculty and coach all wrapped up in one and we never seem to be able to graduate from them."

He went on to emphasize that the diploma not only

DAVID ZIMMER

signifies hard work on the part of the students but also signifies the hard work and dedication of the parents.
