

All Smiles

Bishop Matthew H. Clark slices a cake welcoming him to St. Margaret Mary Parish in Apalachin. The cake announced, "Welcome with love, Shepherd Matthew." The people of the parish had sent their pastor, Father Elmer Schmidt, to the Vatican ordination of the new bishop. At that time Bishop Clark promised, "I will visit your people in the farthest spot in the diocese to thank them."

Hilton Youth Fatima Bound

On Aug. 5, Timothy Behnke was 15 years old. On Aug. 6, Timothy Behnke took off for Portugal, to visit the Shrine of Our Lady of Fatima.

"Quite a birthday present!" said Tim.

The Cardinal Mooney sophomore joined the pilgrimage that Father Robert J. Fox of the National Register arranges each year for young men 14 to 21 years old.

The tours are limited to members of the Blue Army of Our Lady of Fatima, Timothy

explained, "and that means wearing the brown scapular and saying the rosary every day."

"You used to have to subscribe to Soul Magazine," Tim continued, "but not this year. I do subscribe, anyway. And they send a list of books to read before you go, but I had read most of them."

Timothy is the son of Richard and Sandra Behnke. As a freshman at Mooney, he went beyond requirements to take Latin. He was a member of the band and took part in a school play. The only other

New Yorker he knew of that would be along is a Blue Army cadet from downstate who won an expenses-paid trip.

"I don't know him," Tim said before he left, "but I bet we'll travel together."

Basketball Exhibition Set For Oct. 5

The Rochester Press-Radio Club announced that tickets for the Friday, Oct. 5, 8 p.m., charity exhibition game between the host Boston Celtics and New York Knickerbockers have gone on sale at the Rochester War Memorial box office. The office is open 10-5 p.m., daily.

Mail orders may also be obtained by writing to: Tickets, Rochester Press-Radio Club, Box 3026, Rochester, N.Y. 14614. Each order should include 50 cents for handling. Make checks payable to Press-Radio Club. All seats are reserved and are \$8 each.
