What do you look forward to most in starting high school?

CARDINAL MOONEY

MARIA LaPIETRA
Freshman
Most Precious Blood

"Meeting new people and friends. I've been nervous about starting because it's a big school and I'm afraid I'll get lost trying to find classes. I can't remember much about starting grammar school but I don't think it was as scary as starting high school."

BILL CAMPBELL
Freshman
From Hoover Drive Junior High

"Meeting the people and I'll do that by joining sports and going to classes. I haven't been nervous and it doesn't bother me to be a freshman. My favorite subject will be Introduction to Physical Science. I remember the first day I started grammar school and I was nervous."

ROSALIND HOOD
Freshman
From St. Augustine

"Meeting new friends and getting involved. I'm happy to start high school. It will probably be overwhelming at first because it is such a big school. I can't remember my first day in grammar school."

JIM DRAKE
Freshman
From Our Lady of Mercy

"I'm looking forward to joining bowling and meeting new kids. I feel a little nervous about it especially coming to a big new school and not knowing what's going to happen. I can't remember much about when I started grammar school."

MARY MARRON
Freshman
From Our Lady of Mercy grammar school

"Meeting new people. I'll get to know them by talking to them and joining a lot of things and getting involved. I've been a little bit nervous about starting high school. I'm used to being in a small school. I can remember some of what it was like when I started grammar school. I was nervous about being away from my mother."

BOB CIMINO
Freshman
From Gates-Chili Junior High

"I've been looking forward to starting high school in general. I have a brother who has gone here so I know pretty much what it's all about but I've been a little nervous about coming. The thing is, the school is so big! I'm going to take studio art and math. Yes, I remember my first day of grammar school and I was scared to death."

DAVE PIERCE
Freshman
From St. John's, Greece

"Meeting new people and getting into sports like football and basketball. I've wanted to start high school and never thought I'd get through eighth grade. I feel high school will be the same as grammar school except there will be more kids."

PATTI COUNTRYMAN
Freshman
From St. Pius X

"Meeting new friends. I'm a little nervous about starting high school but excited about it too. I'm going to try out for sports especially soccer. I had a good summer vacation but the day to start school came pretty fast."
