a good place to learn

Bishop Kearney is a co-institutional Catholic High School staffed by dedicated Christian Brothers, School Sisters of Notre Dame, priests and lay persons offering quality Catholic education to the people of Rochester.

Academics: The Bishop Kearney curriculum provides a rich and varied secondary education amply preparing students for continued study at the college level. Bishop Kearney graduation standards more than meet the admission requirements for all liberal arts colleges and, with appropriate electives, all engineering and technical institutions. In addition, complete Guidance and personnel services are especially designed to make the educational process a personal growth experience for each student.

Activities: As part of the over-all educational process, the student activity program forms an integral part of school life. Each student is strongly urged to participate and to develop his or her talents in some of the many activities sponsored by the school. The band, color guard, debate and oratory, spring musical, newspaper, ski club, and student government are a sampling. In addition to a complete physical educational program and strong intramural program, the school sponsors teams in all major sports.
