## The Society of the Atonement

## We Joy in God

Joy comes from being loved, and love comes from being different.

We Friars and Sisters of the Atonement find love in the God who is love. Committed to the Gospel of Jesus Christ, we live, work and pray for the unity of people everywhere.

We experiment with the Franciscan tradition, seeking to overcome disunity and division in this twentieth century that takes mobility, flexibility and openness to new challenges as they come our way.

Because we think we're different, we try to make a difference in our world.

by preaching the message of unity and union with God in Jesus Christ.

At-one-ment is our aim. Atonement is our name.

"We joy in God through our Lord Jesus Christ by whom we have now received the Atonement" (Romans 5, 11).
