OFFICE OF THE BISHOP

November 1979

My dear sisters and brothers:

It is my happy duty to present this report of diocesan activities and financial outlay for the fiscal year beginning July 1, 1978 and ending June 30, 1979.

The first installment of this report presents the functions of the Bishop's Office; it includes, also, the audited financial report of Diocesan Centralized Services.

In subsequent editions the Courier-Journal will publish the report of each of the five divisions of the diocese - Support Ministries, Social Ministries, Personnel Staffing and Development, Special Ministries and Education.

These reports will include an accounting by each division of its use of the financial resources allocated to it.

It is my hope that these reports will also enable the people of the diocese to become better acquainted with the services rendered by the dedicated men and women who staff our several departments.

Sincerely yours in Christ,

Matthew H. Clark
