

NOW ON VIDEOCASSETTE.

*THE POPE*  
*in America: A JOURNEY FOR UNDERSTANDING.*

Magnetic Video presents a videocassette feature of one of this century's most historical events: Pope John Paul II's triumphal seven-day visit to the United States.

Now in the comfort of your own home, you can trace the Pope's testament of faith and joy to people of all beliefs.

"The Pope in America: A Journey for Understanding," is a special 90-minute presentation prepared by ABC News, and narrated by Frank Reynolds.

This exclusive videocassette is available only at participating Magnetic Video dealers. Visit one soon. You'll see that Magnetic Video has more exclusive movies and titles than anyone else in the business.
