## Goalie, Defense Help a 15-0 Record

By Terrance J. Brennan  
The McQuaid Knights hockey team is 15-0 and currently leading the Monroe County High School League's South Division by 10 points over second-place Penfield.

A very big reason is the overall balance of the Knights. They have five players in the top ten in league scoring. Behind this balanced attack stands the mainstay of their success this year — goaltender Jim Herzog.

The 5-9, 198-pound junior has been credited with 12 victories this season and has three shutouts — over Pittsford Sutherland, Aquinas and R-H Roth — and shared a fourth with backup goalie Lloyd Pallum.

His most amazing statistic, though, is his 1.20 goals against average. It was as low as 0.80 until he gave up five goals last week in a 6-5 win over Bishop Kearney.

"I took a lot of ribbing about that one," Herzog said. "Those five goals blow up your average in a hurry."

But Herzog's average is much more impressive when you consider that the next lowest in the league is the 3.30 shared by Tim Shortsleeve of Sutherland and Joe O'Donnell of Aquinas.

Other than helping the Knights try to win their second consecutive league championship, Herzog has only one goal this season. He'd like to break the goals-against mark of 1.15 set last year by another McQuaid goalie, John Taille. Herzog had a good view of Taille last year. He was the backup while his predecessor sparked.

"It was good for me to sit and watch John," Herzog said.

One of the things he

learned was to come out more and challenge the shooters. Herzog admits that having a good defense in front of him has helped.

"I only have to make four or five really good saves a game," Herzog said. "I'm getting better at controlling the rebounds, although I had a little trouble against Kearney. I try to deflect the tough shots on my stick side over the boards."

## Business For Juniors

Project Business, a division of Junior Achievement, is a program that makes economics fun for the junior high school student. This year, the Rochester area JA is conducting 20 Project Business classes in city and county junior high schools.

## Winners Circle

RapAround weekly will run a photo of a group of students taken somewhere in the diocese. One person will be circled and if that person brings the clipping to the Courier-Journal before noon of the Tuesday following our publication date, he or she will receive \$5. This week's photo was taken at Cardinal Mooney during lunch. The person circled should bring the clipping to Joan M. Smith, Courier-Journal, by noon, Tuesday, Feb. 12, to receive the \$5.
