AFTER 24 MONTHS YOU OWE NOTHING!

YOU OWN 3 OPTIONS:

CASH BACK: Or Trade In! When the car's future value exceeds our computer option price, YOU GET THE PROFIT **KEEP THE CAR!** If you want to keep it, pay the AUTOVEST guaranteed purchase option price that we set today...with tomorrow's dollars.

WALK AWAY FROM IT! For any reason... (subject to AUTOVEST Guidelines; no unreasonable damage and mileage based upon pre-determined mileage agreement).

HERE'S HOW IT WORKS:

Pick your car from the large selection of makes and models in stock, or order the car of your choice. Our computer determines the car's future value after 24 months, and deducts that future value from the selling price. Your low monthly payments are based on the difference.
