'R&R' Comes 'Home'

Palmyra — R&R has come home to St. Anne's Church, Sister Kathleen McCarthy said last week. Sister Kathleen, the religious education coordinator of the parish, said that the unique program of "Reconciliation and Renewal," begun almost six years ago and which has since spread as far as Dallas, Tex., is now being used to strengthen the community life of the parish in which it first arose.

The program recently drew more than 30 persons to a weekend of spiritual renewal, she said.

R&R was developed, she said, by a number of couples who wanted to strengthen the commitments they had made during such other programs as Cursillo and Marriage Encounter, and to share those commitments with other people.

The teams who stage R&R programs, she said, desire anonymity, so that the focus of any news is on the program rather than on personalities.

1930 Grads Plan Fete

The 1930 graduating class from St. Andrew's Grade School will celebrate its 50th anniversary June 19 at Ridgemont Country Club.

All but two of the living members of the class have been located and told of the event. The two are Jack McCarthy and Thelma Dexter Doane. The original class numbered 61, of whom ten are now deceased. Class teachers were Sister M. Dorothea and Sister M. Walburga.

Further information on the event is available by contacting Nicholas Rotolo, 160 High Point Trail, Rochester, 14609.

"missionary"
The word calls up visions of faraway places. But our territory is just North America. Think you could settle for that?
We work with the bodily and spiritual needs of the underprivileged and the alienated. We work with them for better education and housing, for jobs, for equal economic and social power. We work to discover together real Christianity.
