Nazareth Girls Place in Contest

Students from the Spanish classes of Nazareth Academy participated in the Foreign Language Day competitions at St. John Fisher College, last month. Sponsored by the Foreign Language Teachers' Association, these contests dealt with areas relating to language and culture; drama, dramatic reading, vocal and instrumental music, dance, exhibits and foods.

Winners from Nazareth were: Ellen Donner, Spanish III, who took first place in exhibits for her collage and display of her trip to Spain in February. Spanish IV students, Mary Beth Stone and Kathleen Ward, won second place in dramatic reading with their recitation of "Los Tres Cuervos" ("The Three Crows") by Ecuadorian Jose Antonio Campos. The

story was written in dialogue form and is an example of Latin American humor.

Second place in Spanish vocal music went to Spanish IV students, Deborah Allgood, Corrine Connolly, Mary Beth Stone and Kathleen Ward. The girls sang a number popular among the Madrid youth, "Saca El Guisky, Cheli."

Kretchmer Wins Athletic Recognition

By Terrance J. Brennan

Cardinal Mooney senior Maureen Kretchmer was honored recently by her selection as a semifinalist for the Manufacturers Hanover Greece female Athlete of the Year award at a banquet May 8 at Our Mother of Sorrows church hall.

Kretchmer played in four sports during her illustrious career at Mooney: volleyball (one year), field hockey and track (three years), and basketball (four years). This year, she has captained the basketball, field hockey and track teams and last fall was a member of the Private-Parochial Field Hockey League all-star team.

Her coach in many of these sports, Kathy Krenzer, feels that track is where Kretchmer really excels. "She has done more for our track program through her example and dedication than any other player," Krenzer said.

Kretchmer runs the 880 and the mile and is a member of the 440- and 880-yard relay teams. She was chosen Most Valuable Player on the Mooney track team in 1979, and has qualified for the sectionals in her relay events.

In fact, the day of the Greece awards dinner was extra special for Kretchmer as she won her two individual events, then anchored the two relay teams to set school records in a victory over Mercy.

Kretchmer's abilities don't seem to end on the athletic fields, either. She is a member of the National Honor Society and last year won the Math Topics Award for having the highest average in 11th-year mathematics. Kretchmer plans to attend SUNY Geneseo next year and pursue a career of helping the handicapped.

Claire Drexler and Bryan Hitchcock, both of Greece Athena High School, were named top female and male athletes of the year at the dinner attended by some 400

people. They will receive \$1,000 scholarships from Manufacturers Hanover.

Other athletes selected semifinalists for the award were: Doug Hawryliak, Joe Leonardo, Marlene List and Joseph Prestigiacomo from Athena; Amy Measer and Steve Tremaine from Greece Olympia; and Carol Schlemmer from Greece Arcadia.

Two special awards were given that evening, also. Margaret Goodberlet of Churchville was named the female recipient of the Athletic Director's award for her service to the Cardinal Mooney athletic program over the past eight years.

MAUREEN KRETCHMER

Gary Schwonke of Hilton was named male recipient of the award.
