

"If You Have I M

Mission Sunday is our annual reminder that Christ said "Go teach..." For this reason, missionaries have gone to the ends of the earth, and have passed on the teachings of Our Lord. Today, many of those who have received their message are teaching others in their turn. Think of all these teachers... and please be generous in your prayers and sacrifices. They need them! (Leon V. Kofod photo)

Proclaim Him to

Miracles of healing followed Our Lord's preaching. They gave, as it were, the divine "seal of approval" to His words. Healing the body as well as the soul is also the work of the Church around the world. Would you help that work on October 19th? Thank you! (WHO photo)

Catechists combine the functions of CCD teacher, prayer leader, social worker and member of the parish council. They help to keep the faith alive and the Christian community active. This woman catechist in Indonesia visits one of the many areas a priest can reach only a few times a year. Please remember her, and all catechists, in your prayers and sacrifices on Mission Sunday, October 19th. (CIRIC)

Social service is one of the ways the Church helps poor mothers and children. Here, a Sister in Paraguay helps poor mothers living by teaching them to sew through a sewing cooperative. Please remember the thousands like them, on Mission Sunday. (Vivant Univers photo)
