**1.5 MILLION AMERICANS A YEAR WILL NEVER
KNOW THE BALLOT IS THEIR BIRTHRIGHT.
They'll be killed before they're born.
VOTE LIFE.**

Those are the ugly facts of abortion. An estimated one and one-half million innocent children are denied their right to life in this country each year. They will never vote. You must vote for them.
Cast your ballot for Pro-Life Candidates who support legislation that protects life, including a Human Life Amendment to the

United States Constitution. Such an amendment would extend the existing right to life protection of the Constitution to all human beings from conception, but allow the exception to prevent the death of the mother.
Vote life. The unborn have no other defense.
