## Active Freshmen Take Over As Class Leaders

Along with the rest of the Catholic high schools, Nazareth Academy's freshman class is launching itself into an active year and has elected the officers that will lead it. The class of '84 recently elected Shelly Clements to serve as president; Moira Young as vice president; Kathy Pavone, secretary; LaVon Tallini, treasurer.

All of the young officers have a background of involvement necessary to pursue their leadership with efficiency. Shelly attended Holy Rosary school where she tutored first graders and was a member of the Student Council. She also was a summer day camp counselor at the YWCA. Her other activities included babysitting, karate, reading, dance and all-weather sports. In the few months she has been at Nazareth she served as a Student Council representative until her election, and was co-captain for the Chocolate Drive.

Moira, also a co-captain of the drive, attended Sacred Heart School where she was captain of the girls' softball team. Other activities in-

cluded basketball, soccer, dance and babysitting.

Kathy graduated from St. John the Evangelist School in Greece where she was a cheerleader. While in the eighth grade, she won first place in a junior high forensic contest held at Nazareth and since joining the Nazareth family has become a member of the Forensic Club.

LaVon, who is from Most Precious Blood School, was president of her eighth grade class, a cheerleader and played softball. Her favorite pastimes are reading, roller-skating. She also served as a Student Council rep until her election.

The freshman class, under these leaders and the direction of Sister Donna Marie Cucci, moderator, will be sponsoring numerous activities throughout the school year. They have already directed the sale of school jackets and made Halloween cards that were distributed to children in area hospitals. The holiday season will see the freshmen busy making Christmas baskets to distribute to the poor. Also on their agenda are a toboggan and roller skating party.

Kathy, LaVon, Moira, and Shelly.

# You've got the brains. Do something smart with them.

The Navy can teach you to be an advanced electronics specialist.

Now you can put your talent to good use. With technical training in the Navy's Advanced Electronics Program. Training worth over \$17,000.

It's your opportunity to become involved with some of the most sophisticated electronic systems in use today. With all the challenge. All the potential for success that goes with it. And a solid future in a field helping to shape tomorrow's world.

Offering you similar challenge, similar opportunity, are Navy's Nuclear Field Program and brand-new Advanced Technical Program.

None of these programs are easy. You'll need more than a high school diploma and brains. You'll need good hands, a real desire to stick with the intensive training and the day-to-day work load.

But it's not all work. You'll see new places. Meet new people. Make new friends.

Look, you're too smart to miss out on an opportunity like this.

See your Navy recruiter today. He can tell you what you qualify for even before you enlist. Or call 800-841-8000 anytime. It's toll-free, or in Georgia call 800-342-5855.

**BUILD YOUR FUTURE ON A PROUD TRADITION!**

Edward C. Reese, Navy Recruiting Station, Federal Bldg.,  
100 State St., Rm 121 I, Rochester, N.Y. 14614, (716) 546-6747

Send me your booklet on opportunities and excitement of Navy life, plus information on many career fields including advanced electronics and nuclear power.

Call me. I want to know more about the Navy right away.

If you really don't want to wait, call 800-841-8000 toll-free (24 hours a day, 7 days a week). In Georgia, call 800-342-5855.
