

# Good News for <sup>a</sup> change

There is some Good News in the world, and you'll find it each week in the Courier-Journal: the facts without the sensationalism — a different kind of newspaper. Yet the Courier remains one of the least expensive ways of linking readers with the Church in Rome, around the world and across the diocese.

I would like to subscribe to the Courier-Journal for:

- One year
- Two years
- Three years

at \$10 per year

Enclosed please find my check for \$ \_\_\_\_\_

\* The Courier sells for 15¢ an issue through your parish; \$10 a year by direct subscription; and 25¢ an issue on newsstands.
